Environment Surrounding Us/Time We Are In Nationally & Locally

Ecclesiastes 3: "To everything there is a season, and a time for every purpose under heaven

Daniel 11:32-33: "...[B]ut the people who know their God shall prove themselves strong and shall stand firm and do exploits for God."

We are called for a time such as this.

Another said "spring is the time for warfare" and pointed us toward

Isaiah 58: righteous fasting and actions to-

- overcome the forces holding back revival by
- fasting (with a right heart)
- set the oppressed free
- feed the hungry

honor the Sabbath

There was some sense that fasting is a theme we've been hearing and so we are praying for what form that ought to take more than "fast as the Lord would lead".

More Specifically For AVC

We're hearing that the Enemy is still attempting to put up obstacles to block the Body's progress in this season to enter and claim its Divine inheritance.

Numbers 13-14 and dream tie-in: Dream in which "crowds of people" are trying to enter a "city was surrounded by this wall which seemed to stand like 5 stories high".

Numbers 13:27-28: "They told Moses, We came to the land to which you sent us; surely it flows with milk and honey. This is the fruit. But the people (enemy) who dwell there are very strong, and the cities are fortified (walled) and very large; moreover we saw the sons of Anak (of great stature and courage)."

Prophetic themes here seem to be-

Fear in the Body

Body doesn't know the Lord's power to overcome any obstacles

Obstacles being placed by the Enemy in front of the Body to block its progress to claim its inheritance

Things that would normally protect the Body may be used by the Enemy to stop the Body's progress

Things that normally get individuals and the Body forward will be used by the Enemy to block individual and the Body's progress

This may involve toxic distractions

Clouding of the obvious way forward

Jezebel spirit is making a last effort to block the Body's progress

- Faithfulness/persistence and the traveling with Holy Spirit important for the Body
- From Numbers- leadership may need to intercede and pray on behalf of the Body help get them by these obstacles

Personal Prophecy For A Pastor: We received some personal prophecy for one of our pastors and that prophecy was confirmed, so we will be forwarding it along in confidence.
